CITY OF THE VILLAGE OF CLARKSTON

Historic District Commission

Certificate of Appropriateness

Plans for: 2 Madison Court
Applicant/Building Representative: Zemon-Parker

The Clarkston Historic District Commission approved a Certificate of Appropriateness at their November 14 10, 2017 meeting. The proposed work was for:

> Approval to replace two existing single car garage doors with new doors of the same size and similar style on the existing detached two car garage due to existing doors not being fully operational.

A Certificate of Appropriateness (CoA) is only approval for the requirements of the City of the Village of Clarkston Historic District and does not replace or supersede zoning, building construction permit, other city ordinance and legal requirements. A Historic District Commission CoA is valid for one year. If the approved work is not complete within that time, please contact the city office for review.
