CITY OF THE VILLAGE OF CLARKSTON

Historic District Commission

Memorandum of Administrative Approval

June 2, 2022

Plans for:	85 East Washington
Applicant:	Deanna Olsen

Pursuant to an Application for Work Permit within the Clarkston Historic District filed on May 31, 2022, Commissioners Jim Meloche and Michael Moon reviewed the application and visited the site to view first-hand the impact of exterior renovations proposed by the homeowner.

Applicant provided a three-sheet set of construction documents detailing replacement and minor expansion of a deteriorating deck, and the addition of a screened porch:

- Foundation plan
- Plan-Proposed Deck and Screened Porch
- Elevations.

Since the home, built in 2003, is a resource in the district, but is not presently considered historic, Administrative Approval is granted for this work to be performed in the Clarkston Historic District.

The Historic District Commission will be notified if changes are made to the scope of work.
