CITY OF THE VILLAGE OF CLARKSTON

Historic District Commission

Memorandum of Administrative Approval

November 1, 2021

Plans for: 85 East Washington
Applicant: Deanna Olsen

Pursuant to an Application for Work Permit within the Clarkston Historic District filed on October 21, 2021, Commissioners Jim Meloche and Michael Moon reviewed the application and visited the site to view first-hand the repair of rain damage to multiple areas of the home's exterior.

Applicant provided a description of rain damage to the front porch, and resultant damage to a wine cellar in the lower level beneath it. She also described water infiltration inside a fireplace chimney that would warrant removal of brick veneer, replacement of sheathing and flashings, and reinstallation of the brick.

Since the home, built in 2003 is a resource in the district, but is not yet considered historic, Administrative Approval is granted for this work to be performed in the Clarkston Historic District.

The Historic District Commission will be notified if changes are made to the scope of work.
