

CITY OF THE VILLAGE OF CLARKSTON
Historic District Commission
Certificate of Appropriateness

Plans for: 18 North Holcomb
Owner: Greg and Amy Wilson

July 4, 2010

The Clarkston Historic District Commission grants full approval and endorsement for the repair of the Wilson Home due to major tree damage. Repairs should replicate exactly the features of the structure as it was before the damage. This follows the Secretary of the Interior STANDARDS for Rehabilitation, and also the GUIDELINES that accompany the STANDARDS. For copies of each, contact the Village Office, or me. Both are found online.

The Commission regrets that the Wilson home was damaged, and it wishes the Wilson family a smooth transition through the repairs. We look forward to having your family return to this lovely and important historic home.
