Property address

Owner Mr. & Mrs. R. Elias

Builder Bobson Construction Co., 24470 Telegraph,
Southfield

Architect _____

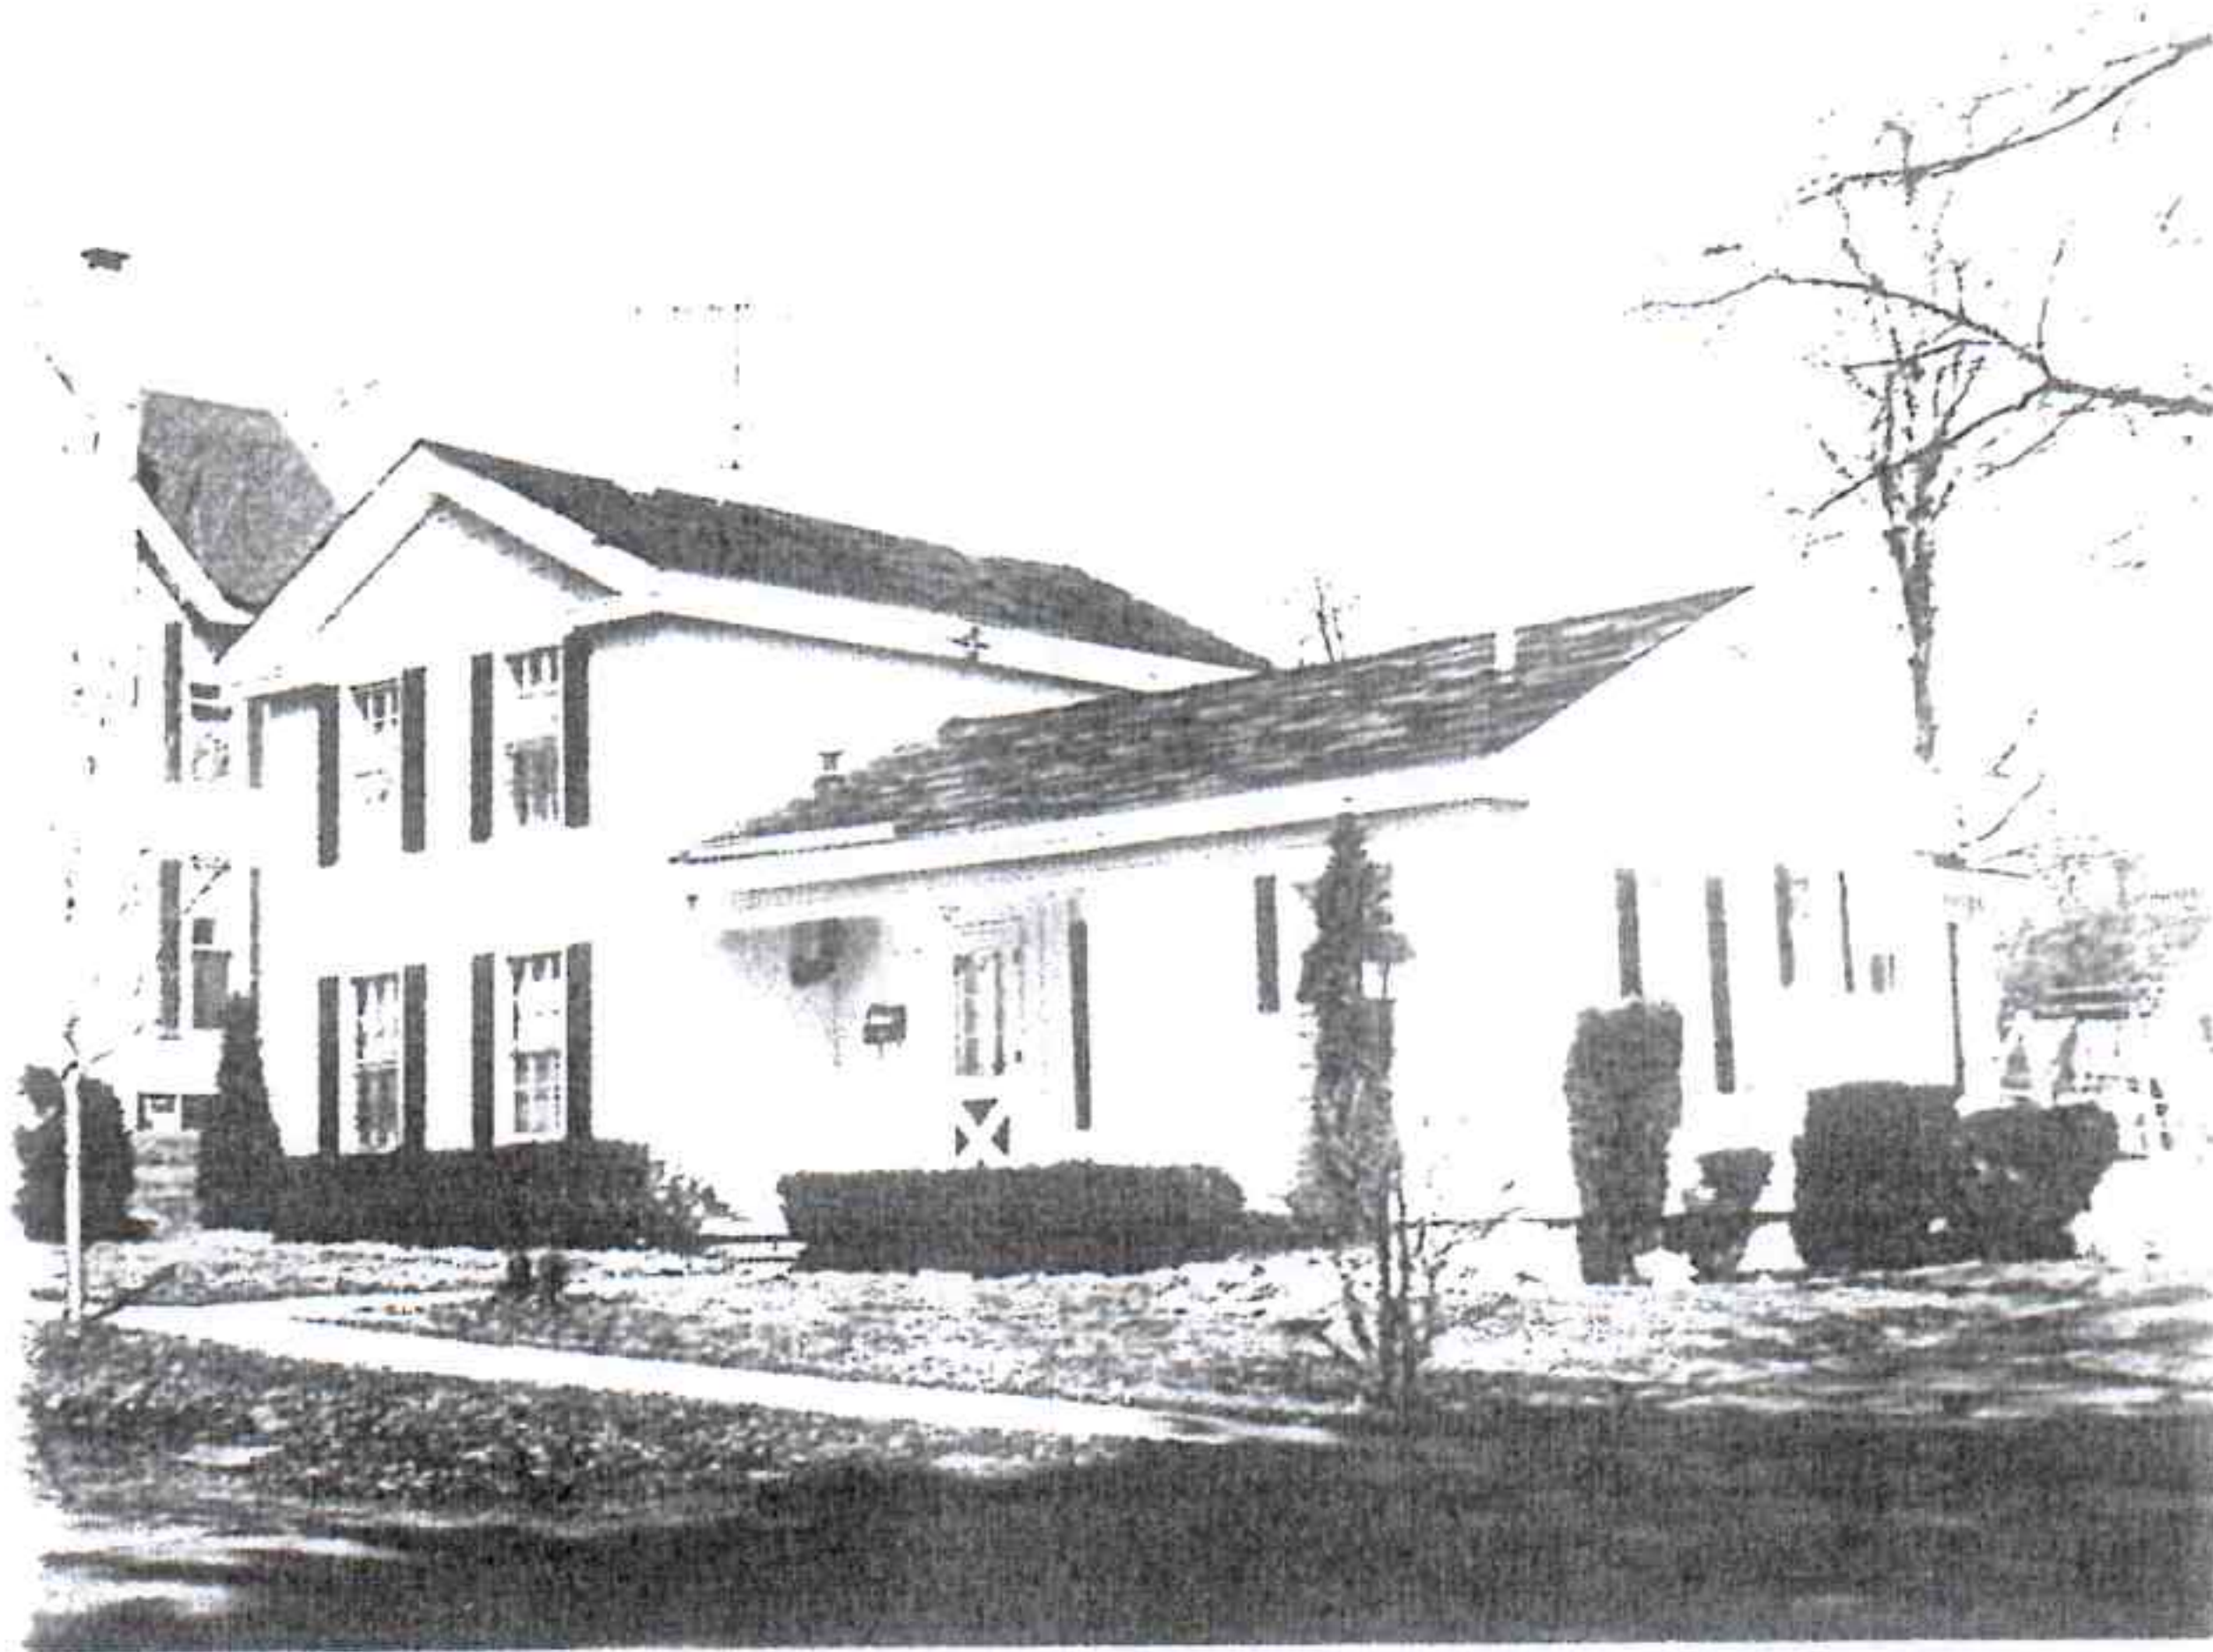

Plans approved by the Commission on _____ as submitted.

Plans denied approval by the Commission on _____.

Plans approved by the Commission on 7/12/94 with the following conditions and/or changes:

Recommendation: that the window (north facade) in new construction be changed to 2 double-hung windows (of the same size as that shown) butted together & centered on the wall, & to be hung at the same height as the existing windows. Also, the Commission recommends the addition of a window in the new construction on the south facade to the right of the door shown on the drawing.
