Memorandum of Administrative Approval
November 5, 2021

Plans for: 58 North Main
Owner: Jim & Laura Rodgers
Applicant: Chris Morgan

The Clarkston Historic District Commission (HDC) monitored progress of work being performed at this location, based on the application dated October 19, 2021.

This Memorandum of Administrative Approval is issued as a follow-up to a site visit by commissioners M. Luginski and J. Meloche. The work being performed is repair and replacement of porch decking that has deteriorated over time. Replacement material is wood tongue and groove planks, and is very similar to the damaged material being removed.

A Memorandum of Administrative Approval (MoAA) is only approval for the requirements of the City of the Village of Clarkston Historic District and does not replace or supersede zoning, building construction permits, other city ordinances and legal requirements. A Historic District Commission MoAA is valid for one year. If the approved work is not complete within that time, please contact the city office for review.
